

## How People Eat

People eat in different ways. People in China, Japan, and Korea usually use chopsticks to eat. Chopsticks are different in each country. Chopsticks in China are long, and they are round at the end. Chopsticks in Japan are pointed at the end, and chopsticks in Korea are made of metal.

People use chopsticks in Thailand and Cambodia, but they only use chopsticks to eat noodles. They use a spoon and fork to eat other foods. People in Europe and Americas usually use forks, knives, and spoons to eat. But people in India and Ethiopia use bread to pick up food. They eat with their right hand. People in many places use their hands to eat hamburgers and pizza. What do you use to eat?
